FAMILY
DISFUNCTION

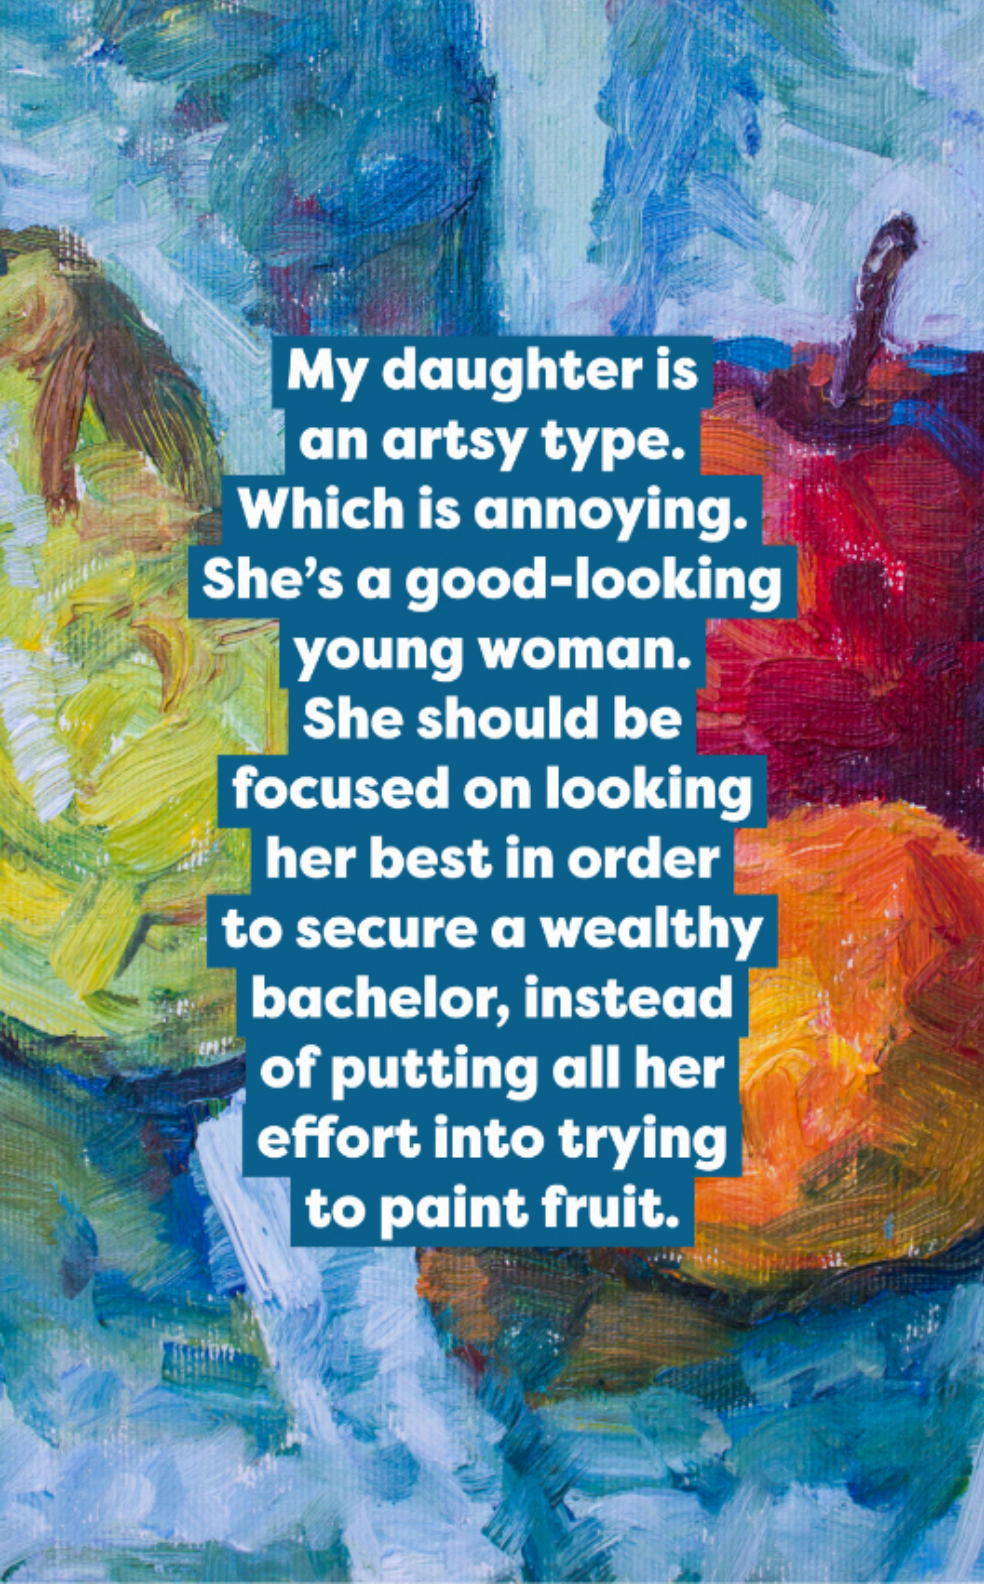

Dedicated to those
we call family

I see my family
at Christmas,
but only
because I
like presents.

If I saw Santa Claus, I'd wish him a Merry Christmas.

I NEVER LIKED LUNCH AT THE ANDERSONS. THEY'D MAKE ME EAT STUFF I DIDN'T LIKE, LIKE PUNKIN AND BROCKOLY, AND THEY DIDN'T HAVE FIZZY DRINK. AND THEY'D SPIT ON ME AND TELL ME I WAS IN LEAGUE WITH THE DEVIL, AND I DON'T EVEN PLAY FOOTBALL!
- JACKIE

I love newborn babies,
they're so tender. Unlike
when they get older and
become a bit more chewy.

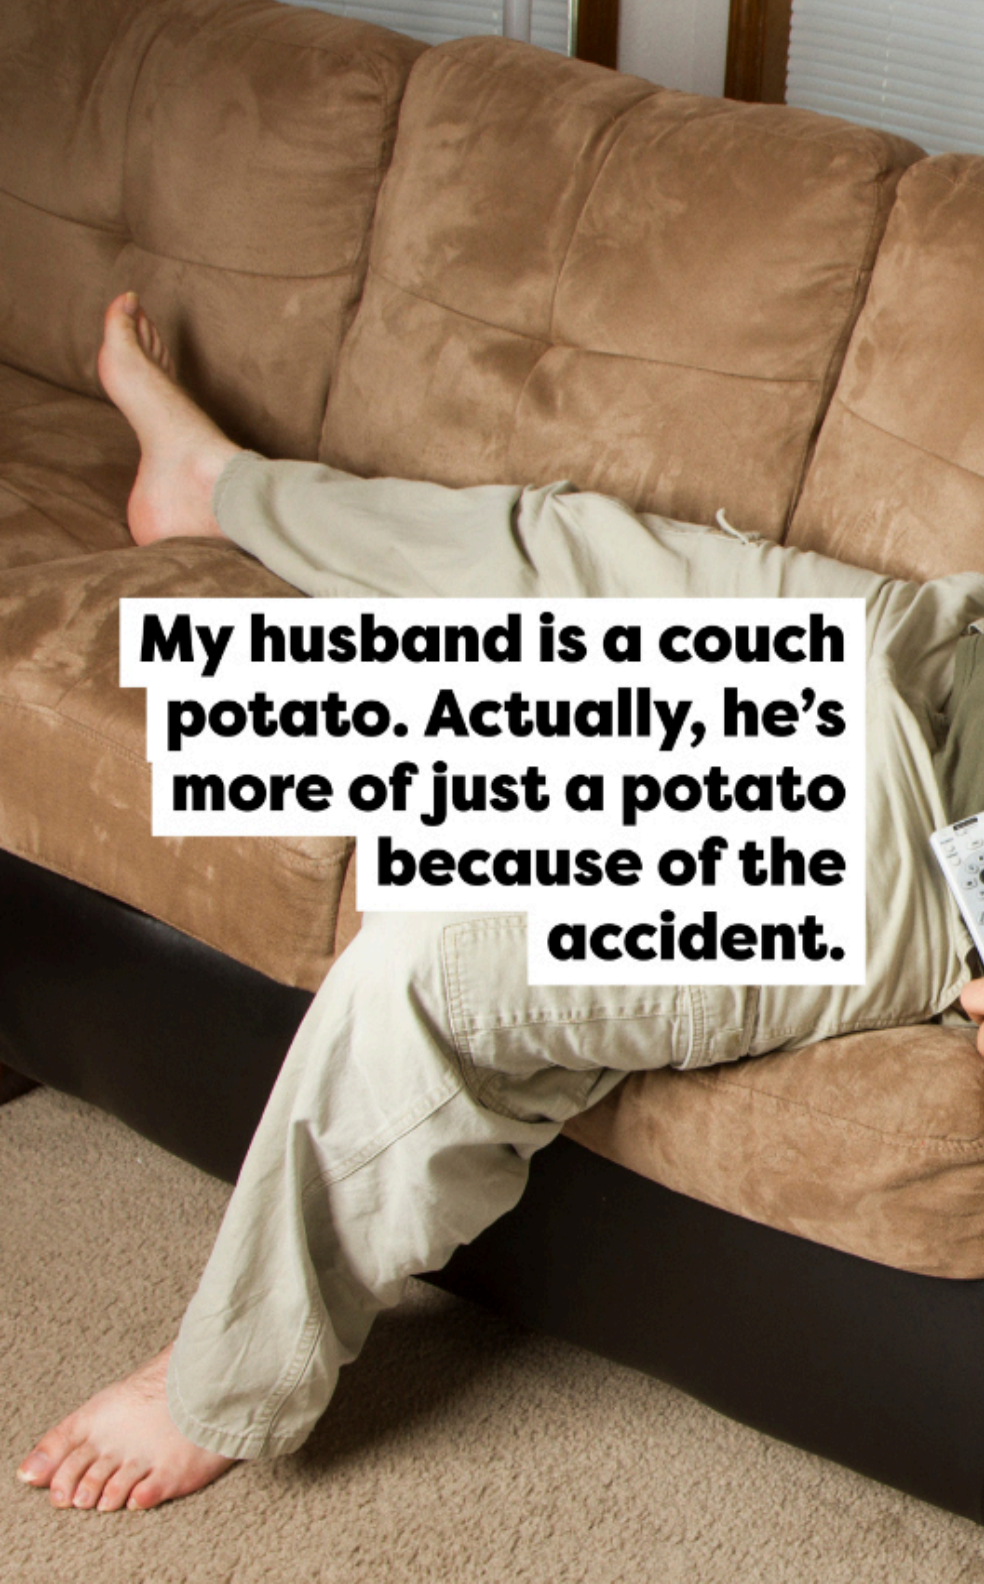

My daughter is an artsy type. Which is annoying. She's a good-looking young woman. She should be focused on looking her best in order to secure a wealthy bachelor, instead of putting all her effort into trying to paint fruit.

This cancer in the culture has gone too far: Little kids must be taught that pirates aren't cool and that pirates are bad people.

MUM, WHY DOES MRS. HOPKINS HOUSE SMELL LIKE OLD PEOPLE? TOMMY GO SIT IN THE CAR! SORRY MRS. HOPKINS, IF IT'S ANY CONSOLATION TOMMY STILL SHITS HIS PANTS, DON'T YA TOMMY?

I loved Grandma more before, when she still remembered who I was.

STOCKHOLM SYNDROME WAS NAMED AFTER GARY STOCKHOLM, FROM FINLAND, WHO DECIDED HIS WIFE KNEW BEST.

My husband is a couch potato. Actually, he's more of just a potato because of the accident.

The last thing I wanted to do was encourage my kids to lead a sedentary lifestyle where bad food is the norm and weight gain is assured. But I can't give my children what I can't do for myself. Poor buggers.

I wanted a son that could play in the NBA, that's why I married a black woman.

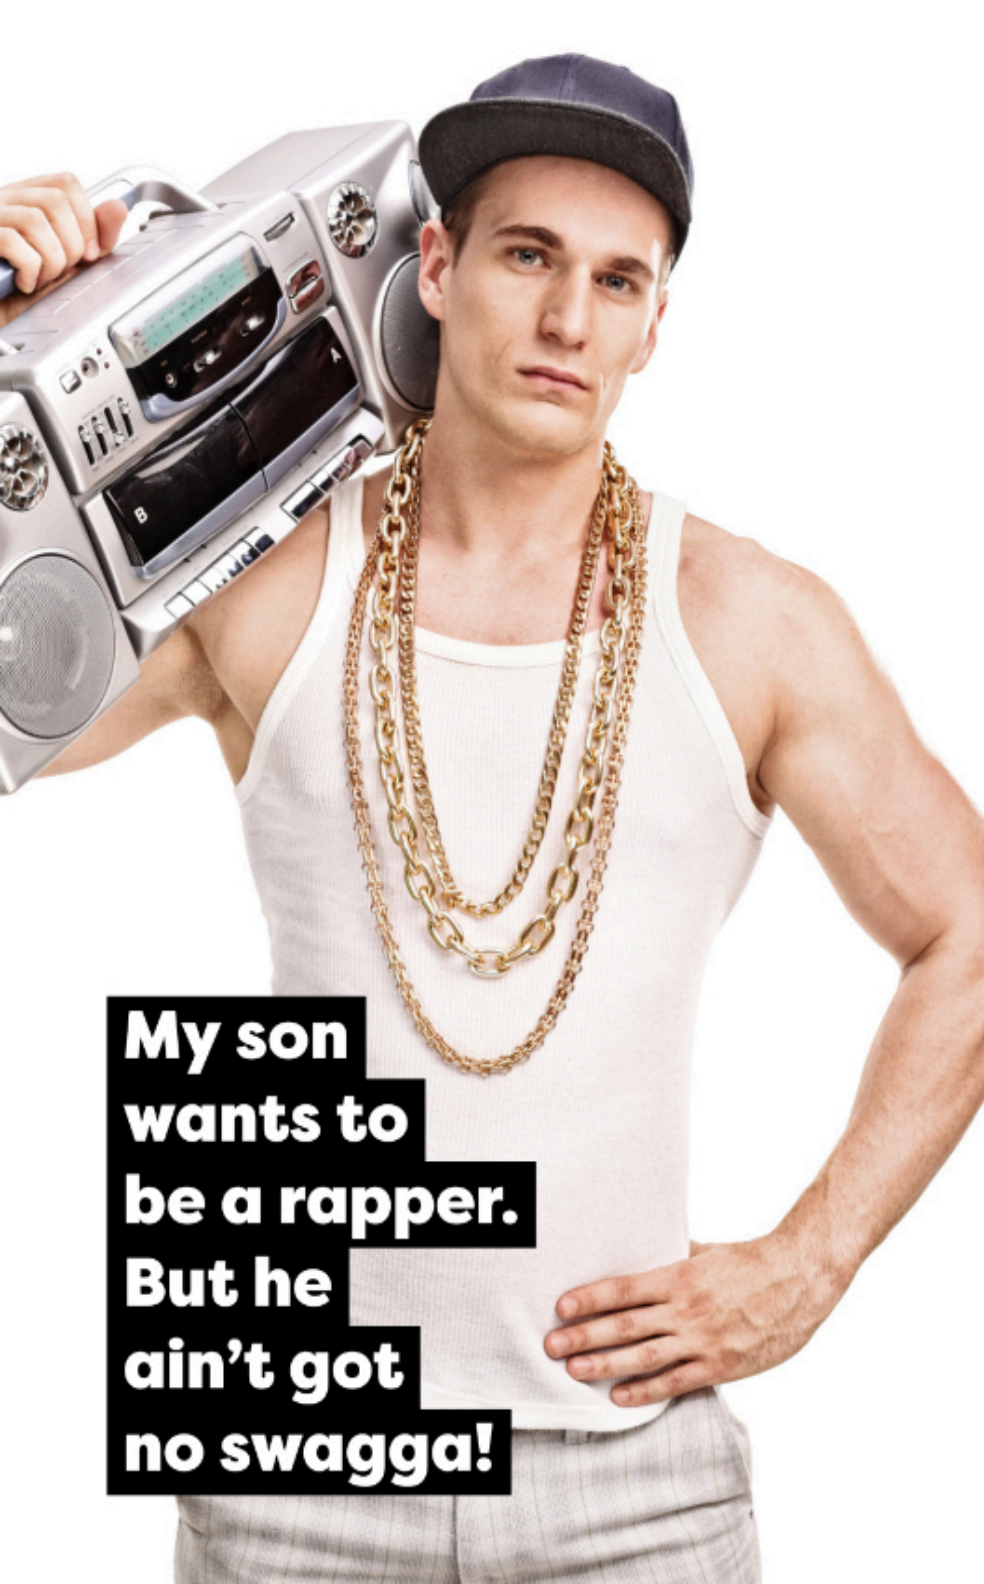

YOU ALL BELONG!
Except for you Darryl.

My kids wanted to experience the ocean, so I gave them a cup of water and put a bit of salt in it.

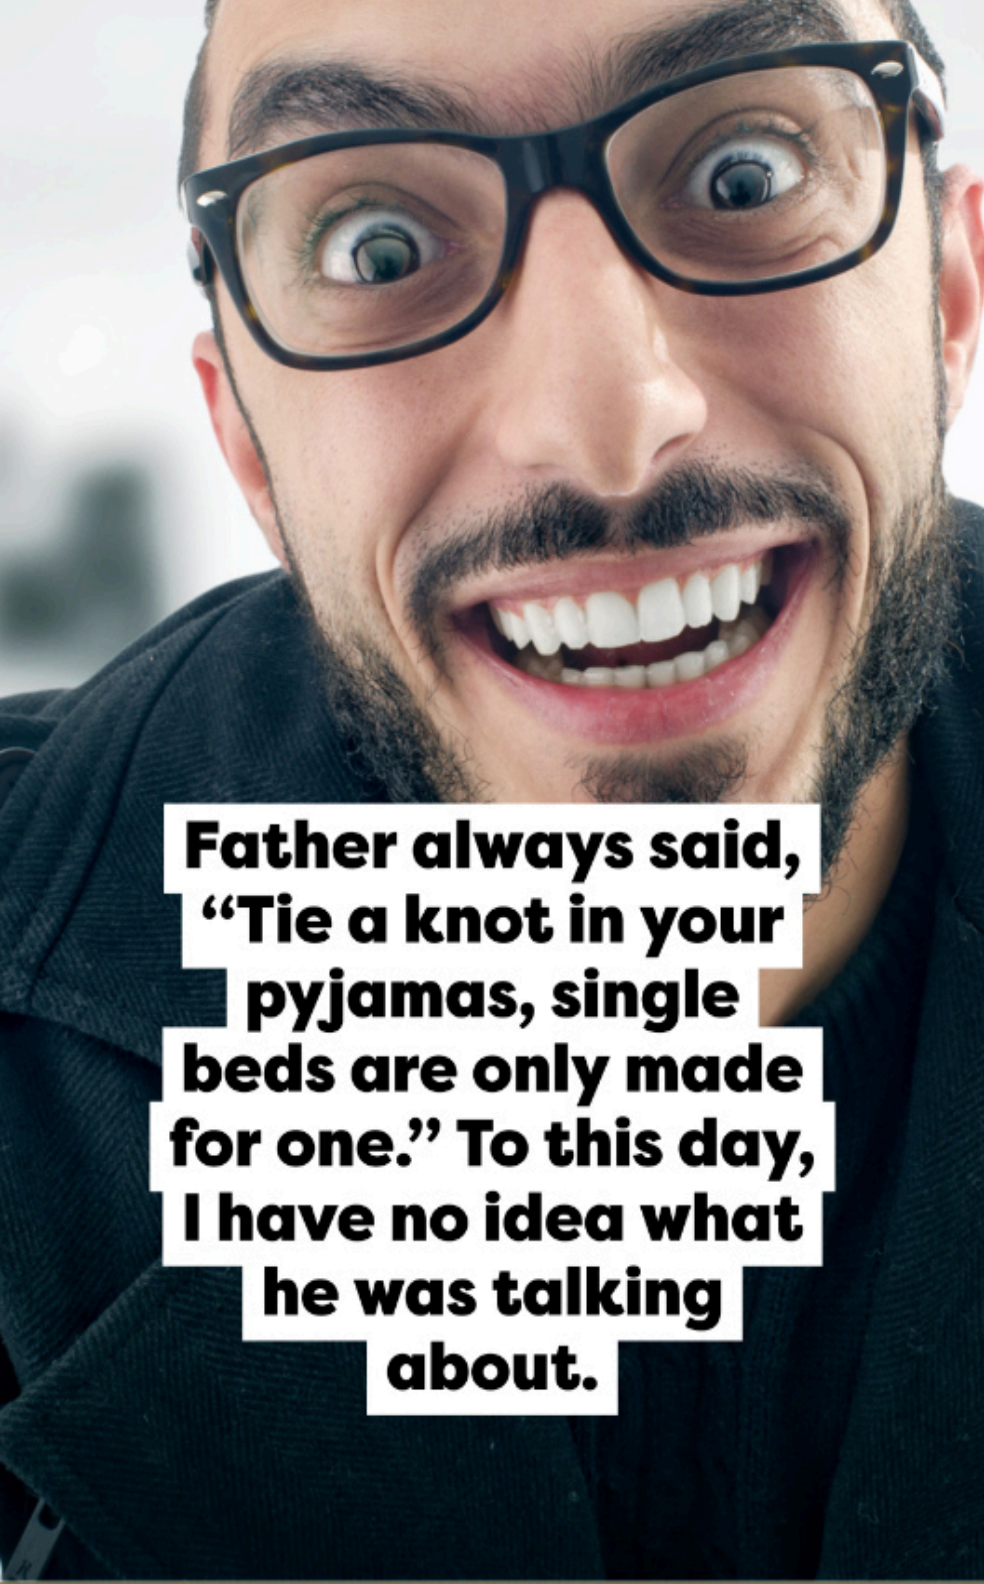

SUPER BUSY YEAR!

EVERYONE'S HAVING A BIRTHDAY!

My son
wants to
be a rapper.
But he
ain't got
no swagga!

I set the clocks forward for daylight savings, now I'm two hours behind.

Dad, I have a problem with my leg. It doesn't kick properly.

Father always said, “Tie a knot in your pyjamas, single beds are only made for one.” To this day, I have no idea what he was talking about.

My mum was a basket weaver. She would be happy that the funeral was held with an open basket.

I TRIED TO BE THE BACKBONE OF MY FAMILY, BUT I SLIPPED A DISC!
- MERRICK

TAKE CARE OF YOUR ELDERS WHEN THEY'RE OLD AND CAN'T DO SHIT WELL
- TAMMY

When I was a kid, I always wanted to be a pirate, but mum wouldn't fork out for a parrot.

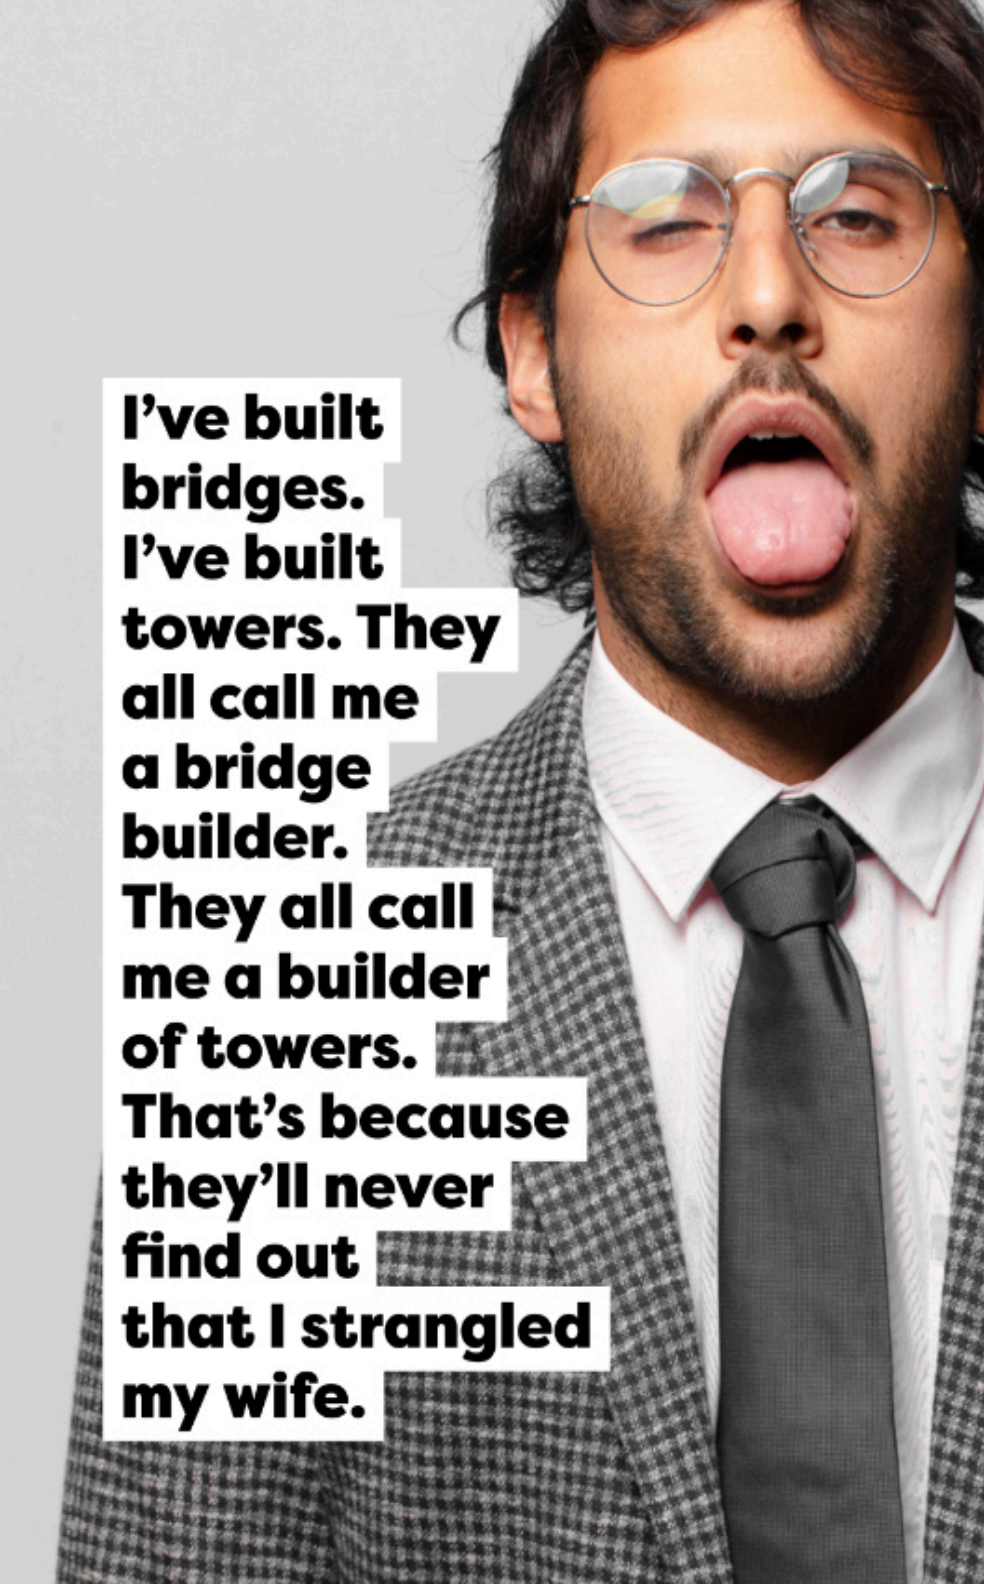

My son has gotten into my little pony. I don't care if he's gay. I just don't want him to get involved in these dangerous online subcultures.

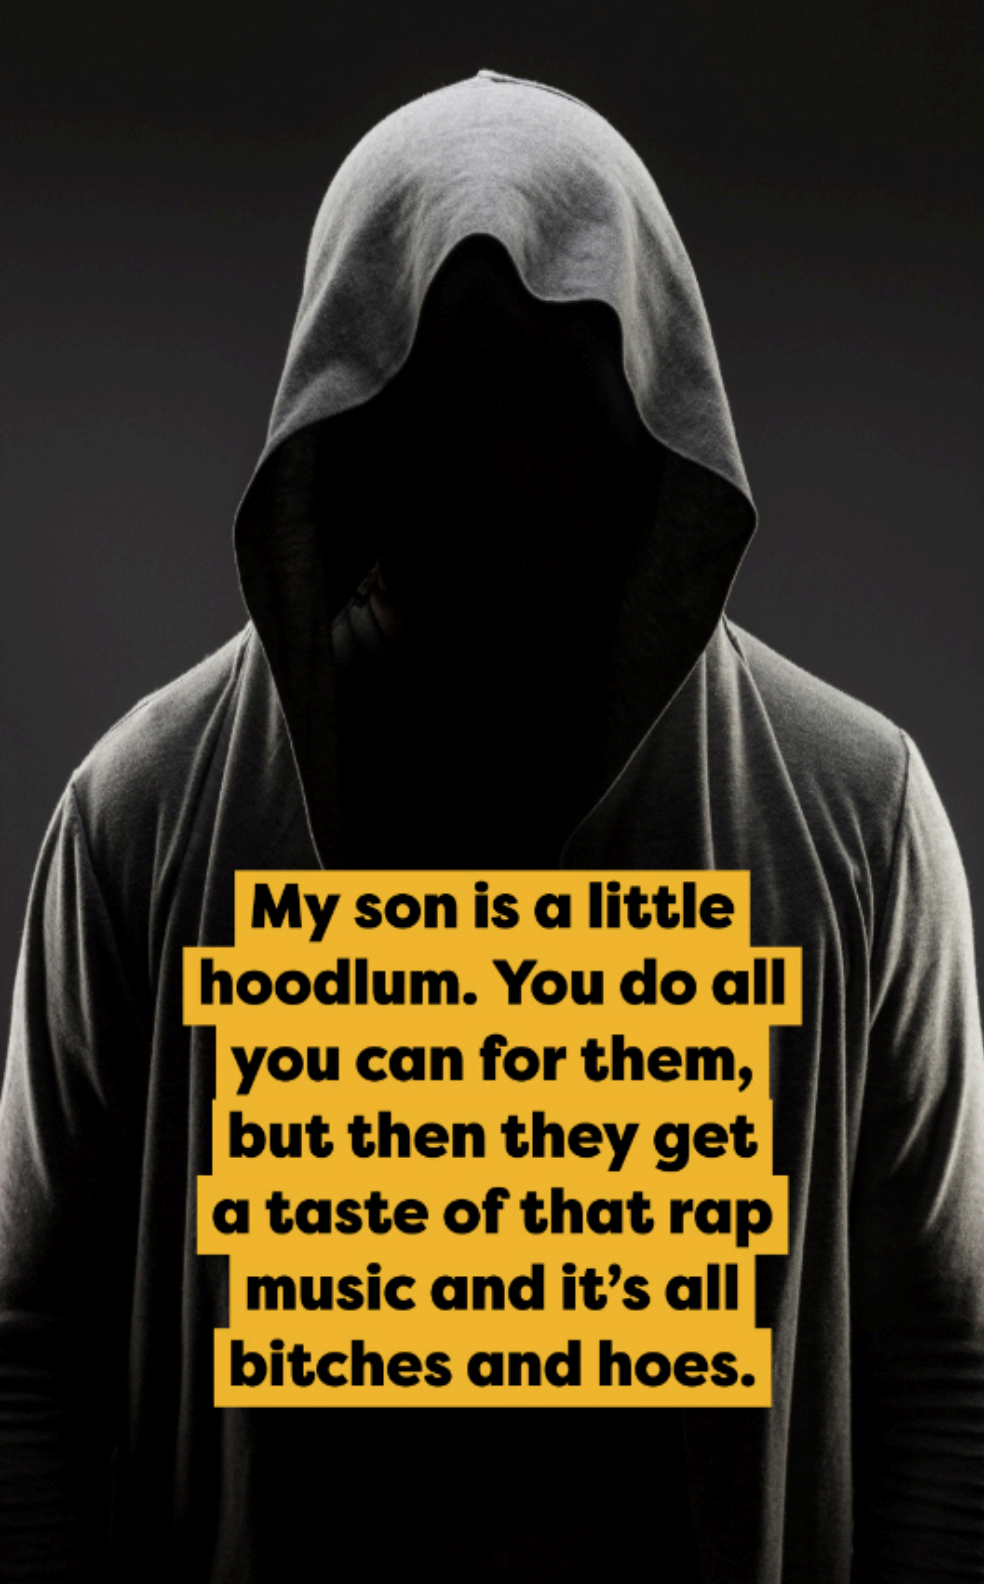

MY SON HAS SIZE 14 FEET AND HE'S GOT THE GALL TO CALL ME A CLOWN!

MY SON HAS HUGE FEET! I WENT TO BUY HIM SHOES AND THE SALES ASSISTANT ASKS, “WHAT SIZE?” AND MY ANSWER WAS, "CLOWN!” SHE SAID, “RIGHT THIS WAY!”

I CALL MYSELF A
PIMP BECAUSE MY
ROOM IS A BROTHEL

Tis the season to be jolly! Does jolly mean fat? If so it's my kind of season.

I've built bridges. I've built towers. They all call me a bridge builder. They all call me a builder of towers. That's because they'll never find out that I strangled my wife.

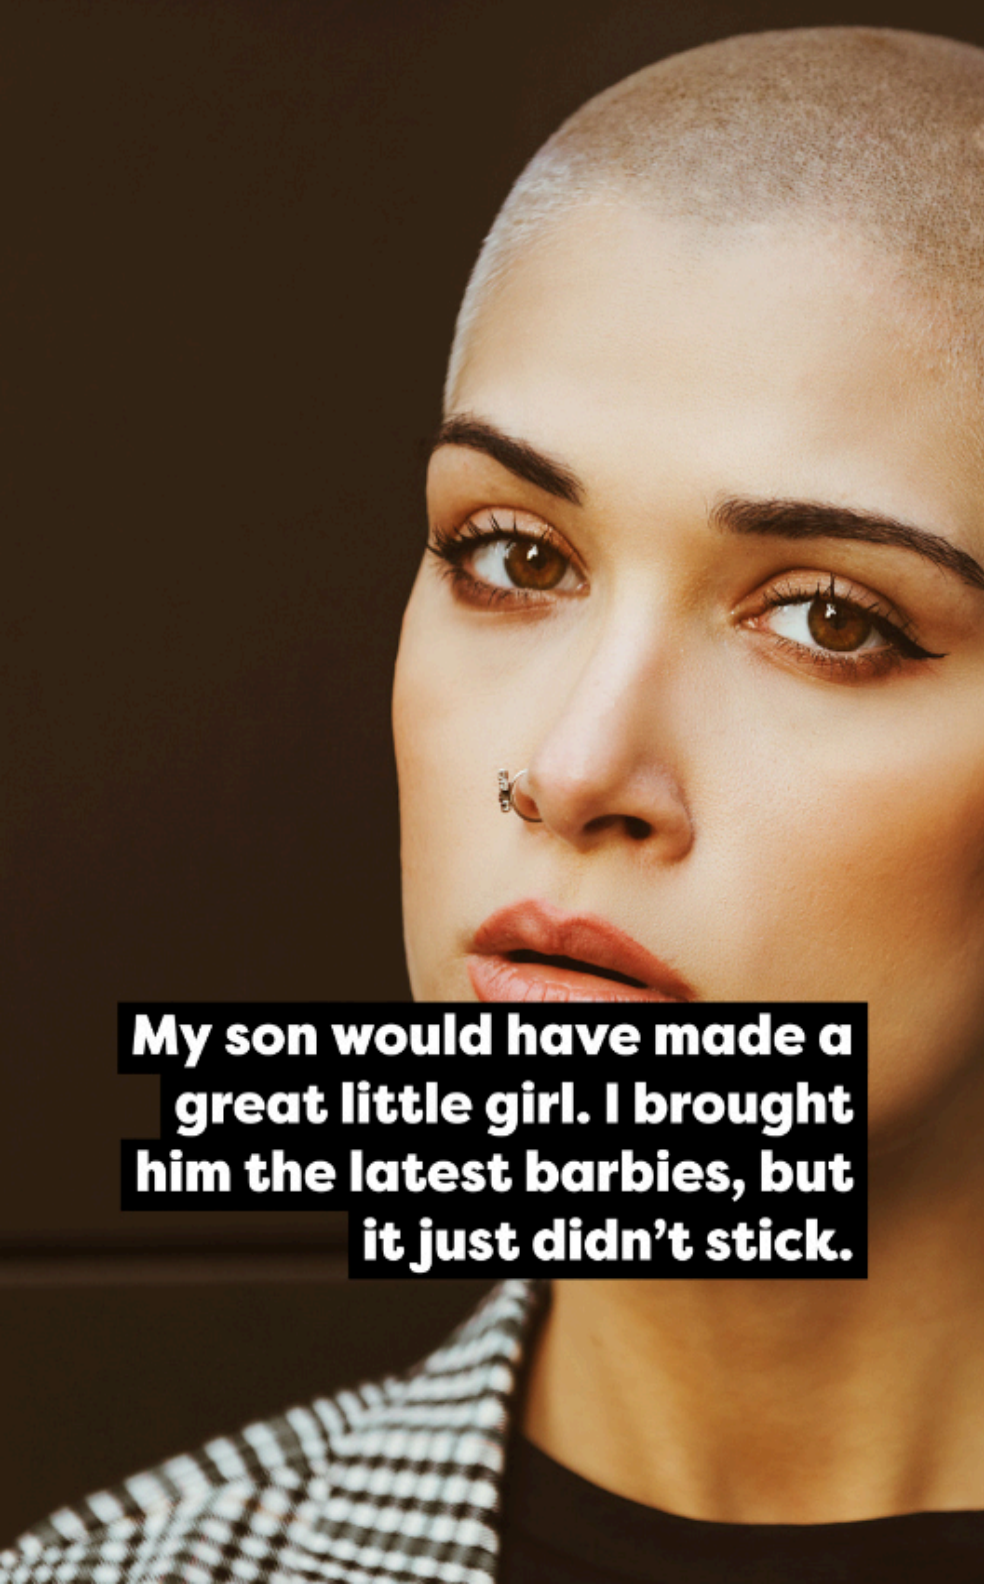

My son is a little hoodlum. You do all you can for them, but then they get a taste of that rap music and it's all bitches and hoes.

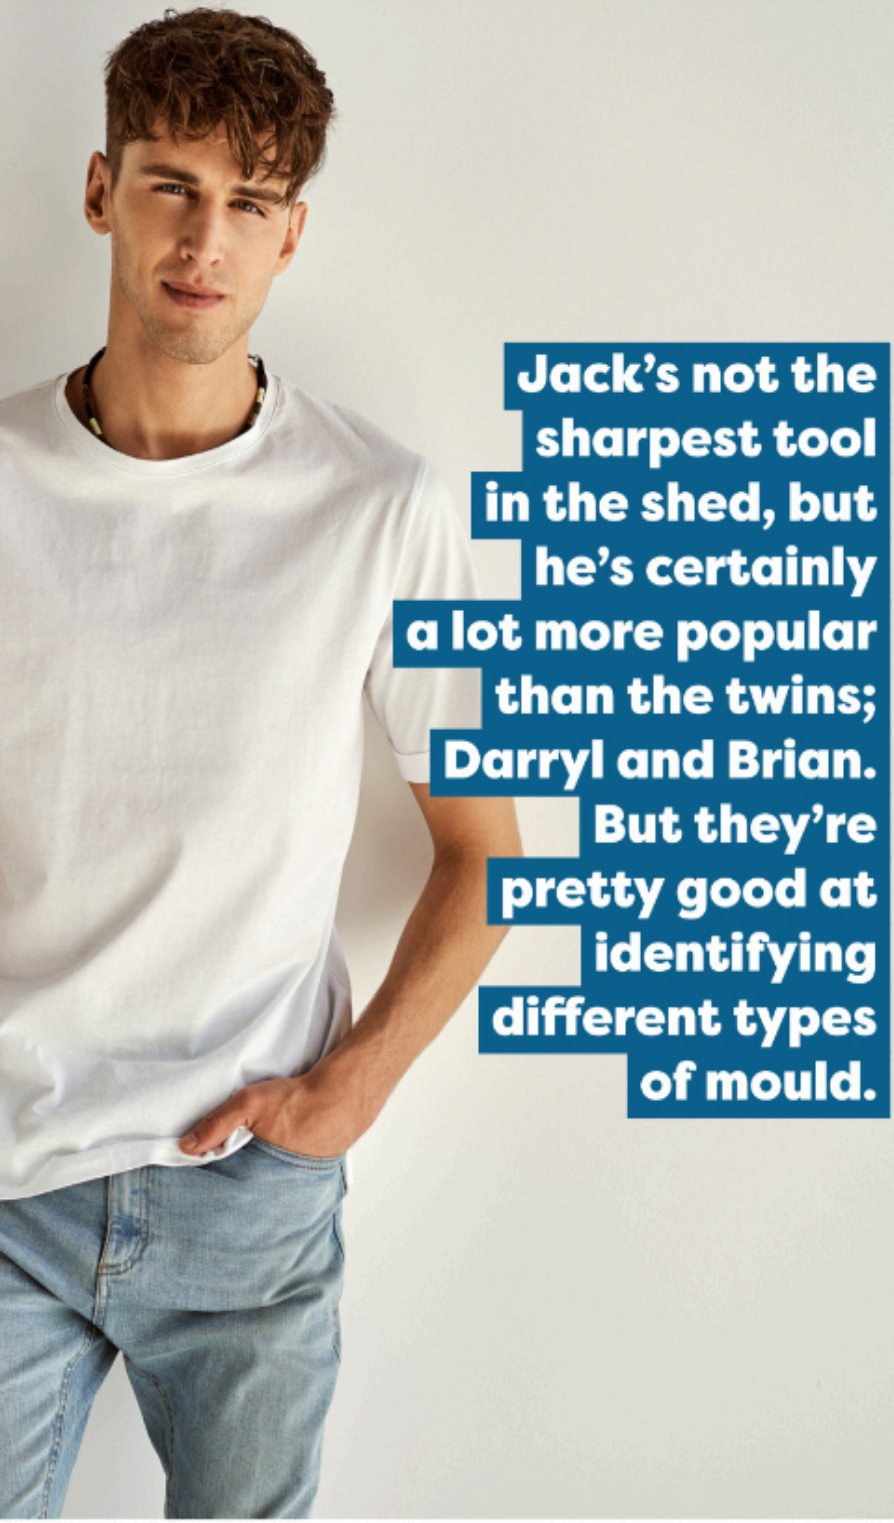

My mum has had a hard life. I feel for her. That's why I forked out for the better wheelchair.

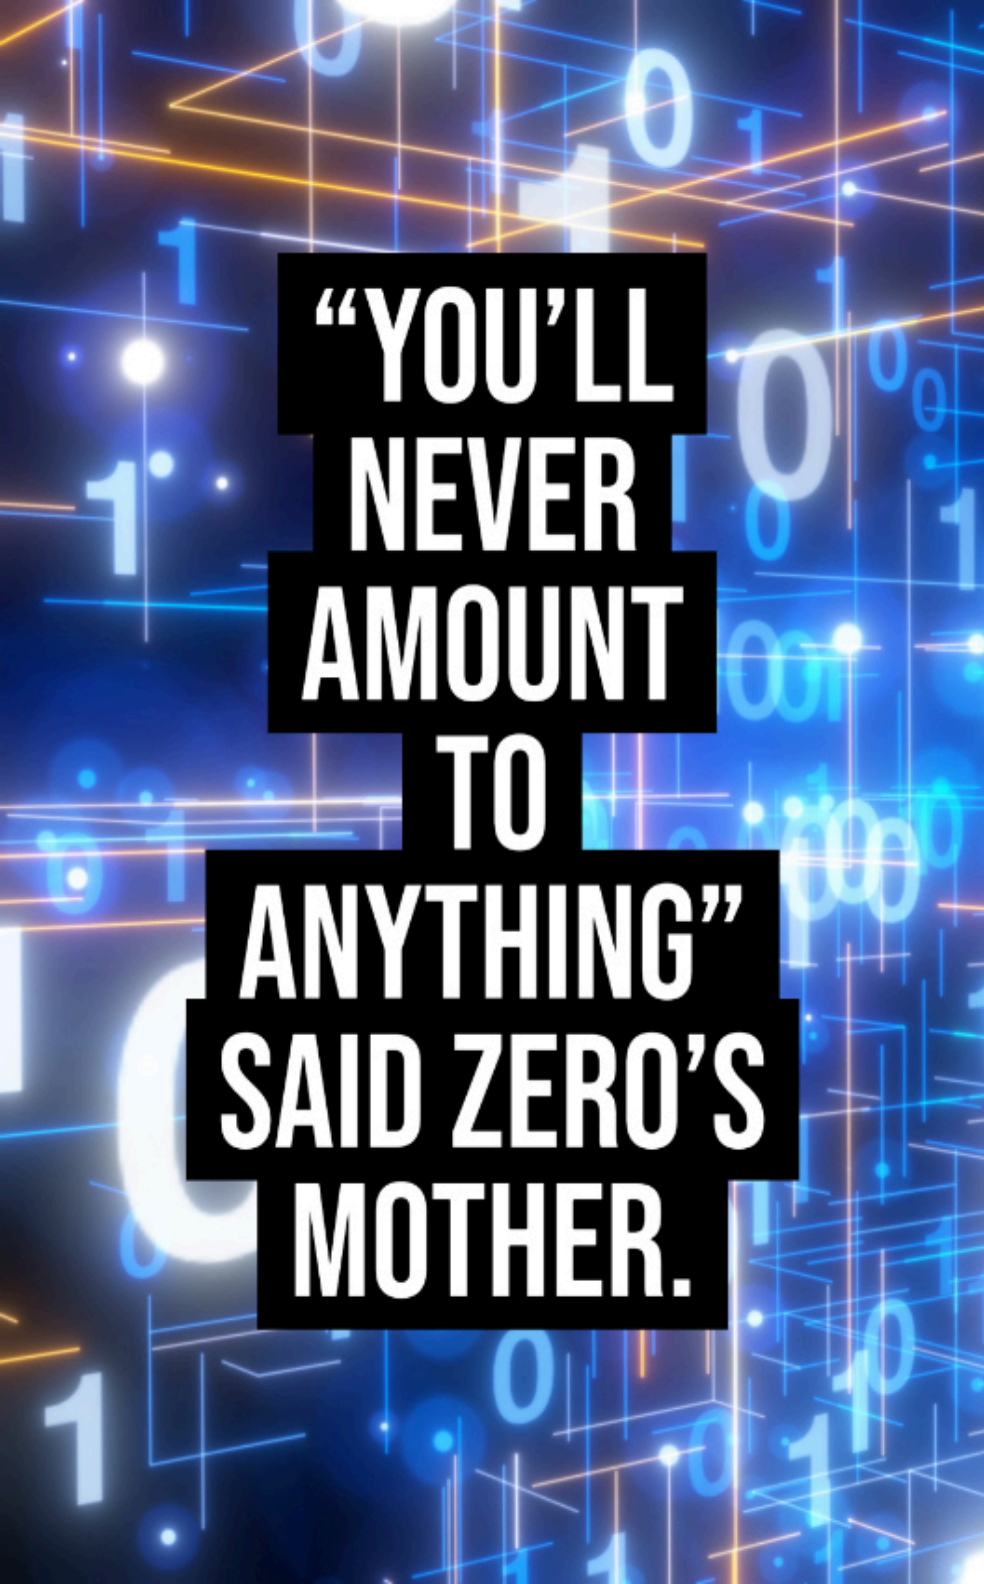

I'm giving my inheritance to the RSPCA. Fuck Brian, call me a crazy cat lady!

I'M MAKING SURE
I STAY FAT ENOUGH
TO SURVIVE A
FAMINE!

YOU ALL BELONG!
Except for you Darryl.

My son would have made a great little girl. I brought him the latest barbies, but it just didn't stick.

Jack's not the sharpest tool in the shed, but he's certainly a lot more popular than the twins; Darryl and Brian. But they're pretty good at identifying different types of mould.

“YOU’LL NEVER AMOUNT TO ANYTHING” SAID ZERO’S MOTHER.

STOP BEING HAPPY!
YOU'RE EMBARRASSING THE FAMILY.

MY WIFE IS WORTH

NOT LITERALLY

JUST REMEMBER GUYS:
TEA TOWELS ARE PRESENTS FOR THE KITCHEN AND NOT FOR OUR WIVES!

LOOK, ANOTHER FUCKING SEAGULL

Imagine having
a TV the size
of the entire
universe.

I'm the black sheep of my family. I'm the only one my parents wouldn't pay to fix their teeth.

My brother is an arsehole. Just because I got the looks, the brains, and the personality, he has to be bitter about it. He's good at roofing, mind you. I could never do that.

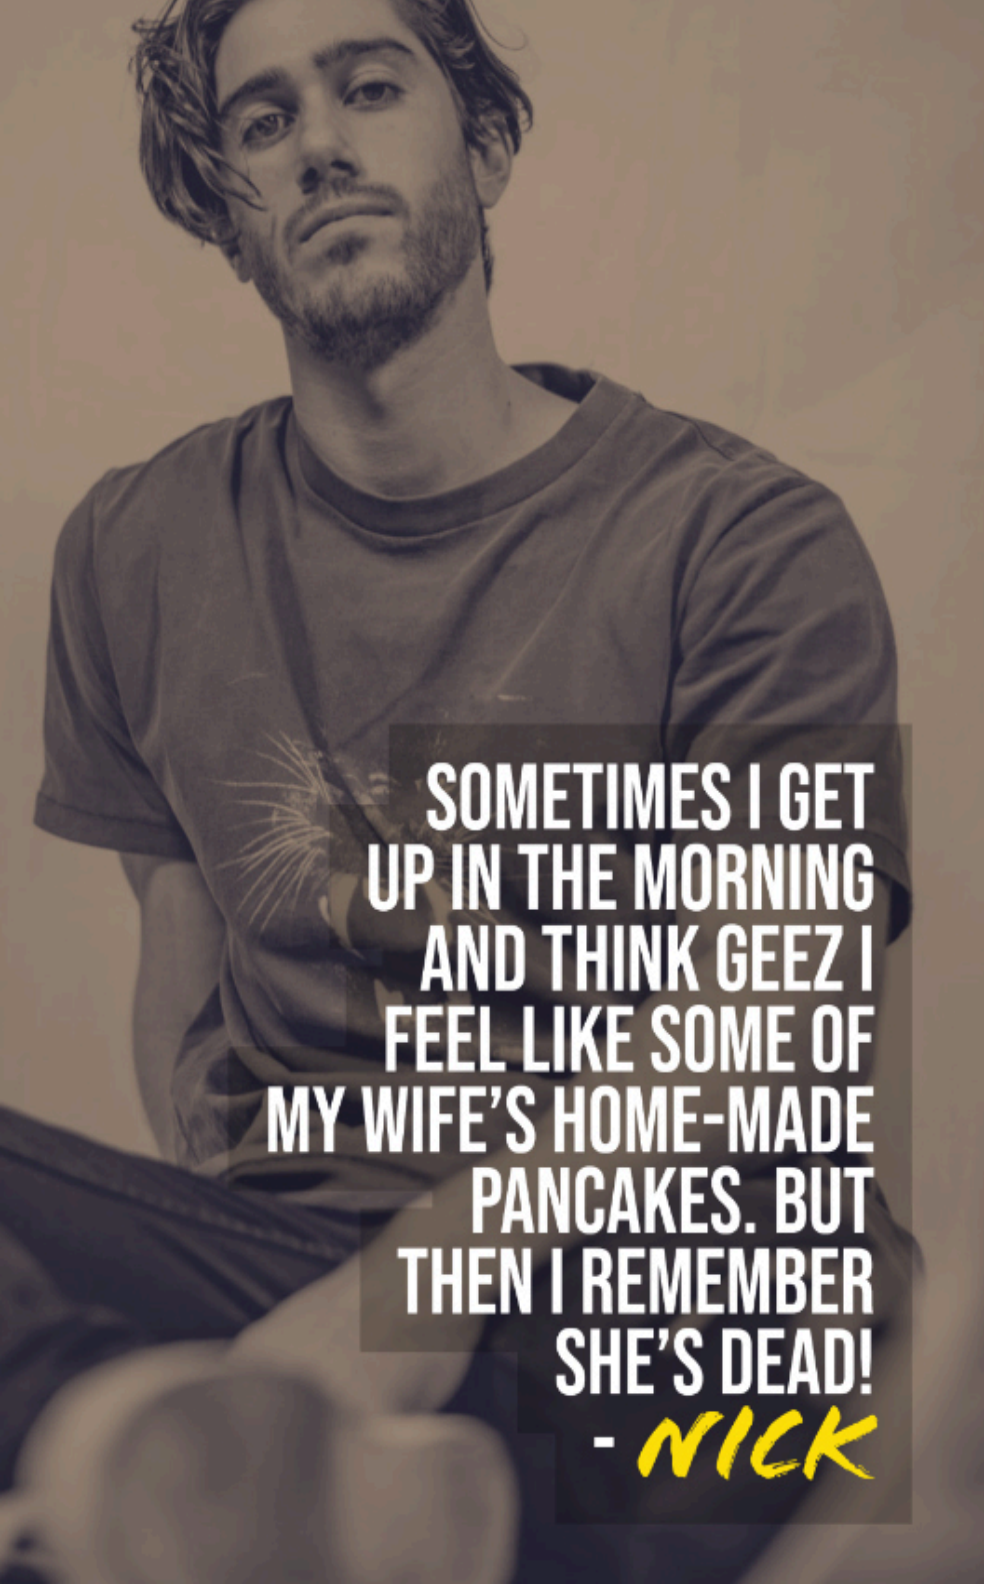

My son uses all the hot water. Go have a wank in your bedroom you little perve, instead of wasting all the hot water.

My son is eight and is still on the tittie. People think it's weird, but he's a fussy eater.

"MEREDITH CAN YOU PUT YOUR PANTS BACK ON HONEY, YOU'RE SCARING THE NEIGHBOURS"

Soon as my mum does a hip, it's straight to the nursing home for her.

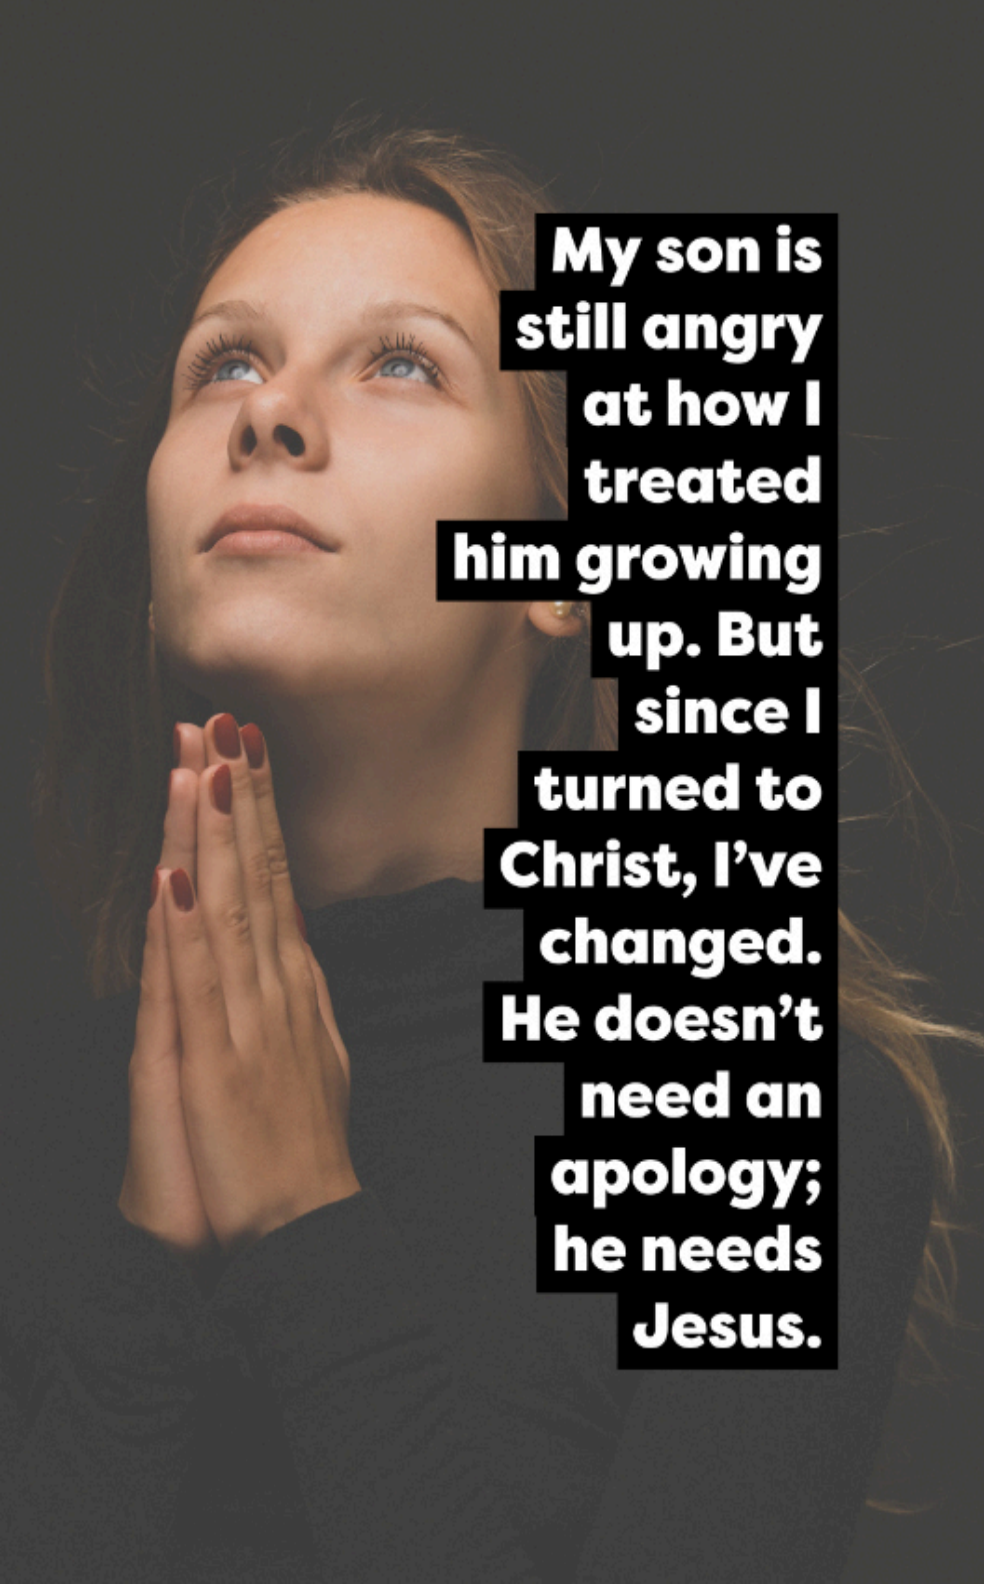

AFTER WASHING UP AND PACKING AWAY THE DISHES I REALISE HOW HARD YOU WOMEN ACTUALLY HAVE IT.

SOMETIMES I GET UP IN THE MORNING AND THINK GEEZ I FEEL LIKE SOME OF MY WIFE'S HOME-MADE PANCAKES. BUT THEN I REMEMBER SHE'S DEAD!
- NICK

THE FIRST WEEKS OF LOOKING AFTER MY NEWBORN REMINDED ME OF WHAT THE ANZACS WENT THROUGH AT GALLIPOLI. THESE DAYS I CONSIDER MYSELF A WAR VET I'VE BEEN IN THE TRENCHES. I'VE SEEN THE HORROR!

WHY IS THERE A MATERNITY SECTION IN KMART, BUT NOT A PATERNITY SECTION?

I TEXTED MY SON: "WE ARE HAVING A FAIRLY LIGHT CHRISTMAS THIS YEAR." HE TEXTED BACK: "FAIRY LIGHTS SOUND LIKE A GREAT IDEA!"

My son is still angry at how I treated him growing up. But since I turned to Christ, I've changed. He doesn't need an apology; he needs Jesus.

I can't stand my son. He thinks he's better than me because he knows how to sustain healthy relationships.

My kid gets teased a lot. But he is funny-lookin'.

Grandma won't let me help her. She thinks I want her money. Silly old bitch.

When I grow up I'm gonna be my most tallest.

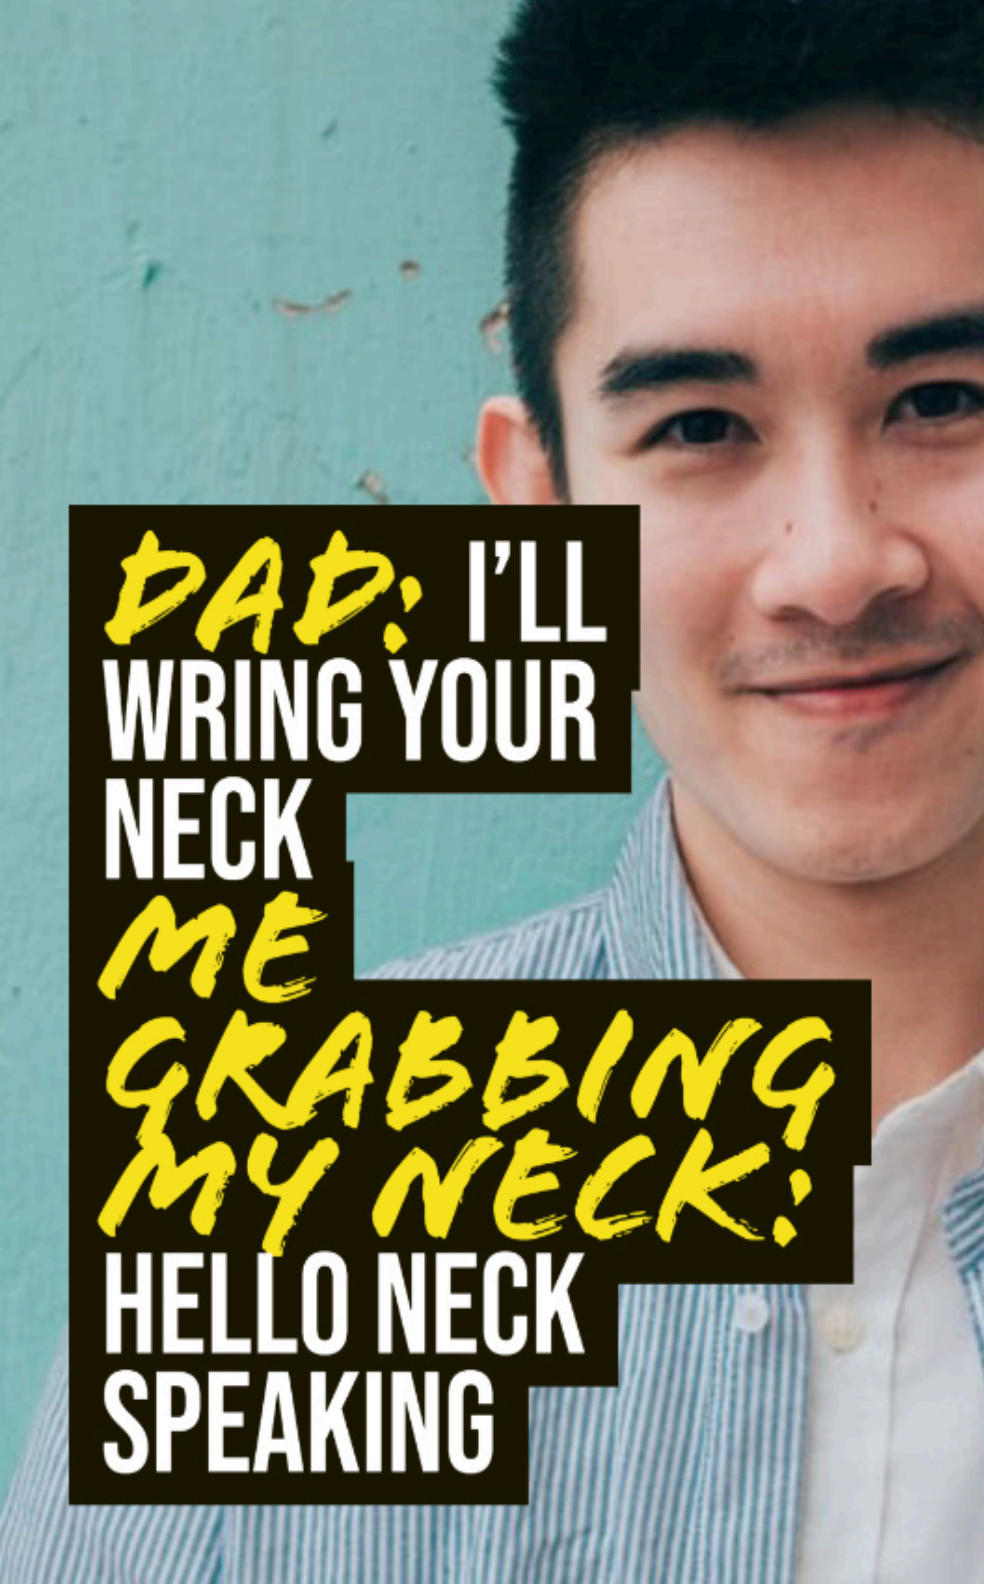

My daughter grazed her knee. All I had was a bandaid solution.

My son says, “I’m thirsty.” And I say, “Hi thirsty, I’m secondy.” That’s an A-level dad joke right there, right off the top of the old noodle!

My daughter wants to be an actress. I hope she'll be content with bit parts. She's not going too far with eyes that close together.

IN THE STORY OF 'WHY ARE YOU HITTING YOURSELF' BY RICKY NOLAN BROWNE, RICKY LOOKS BACK AT HIS CHILDHOOD AND THE ABUSE THAT WAS INFLICTED UPON HIM BY HIS OLDER SISTER NARALIE (NAMES HAVE BEEN CHANGED TO PROTECT THE IDENTITIES OF ALL INVOLVED INCLUDING HIS ABUSER.) RICKY REMEMBERS BACK TO THE MEAN SPIRITED SO-CALLED GAME 'SMELL THE CHEESE' AND OTHERS LIKE 'PIGGY IN THE MIDDLE' WHERE RICKY ALWAYS PLAYED THE ROLE OF THE PIG. ON HIS 10TH BIRTHDAY, HE RECEIVED 10 PUNCHES FROM HIS SISTER NARALIE. JUST BECAUSE IT WAS HIS BIRTHDAY AND AT THE START OF EVERY MONTH, NARALIE WOULD GO ON AN ABUSIVE RAMPAGE RESULTING IN RICKY GETTING PUNCHED IN THE ARM WHICH WAS ACCOMPANIED BY A PINCH FOR NO GOOD REASON. WHEN RICKY WAS OLD ENOUGH HE TOOK OUT AN AVO ON NARALIE WHERE THE ROOM THEY SHARED WAS HALVED WITH TAPE WITH EACH CHILD HAVING TO STAY ON THEIR SIDE OF THE TAPE. BUT THIS GAVE RICKY LITTLE REPRIEVE FROM THE ABUSE AS THE LINES WERE DRAWN UP IN A WAY THAT DIDN'T GIVE RICKY ACCESS TO THE ONLY DOOR IN THE ROOM. AND HE HAD THE SMALLER HALF WHICH ADDED INSULT TO INJURY. THE BOOK UNFOLDS IN A NIGHTMARISH SCENARIO WHICH LOOKS TO HAVE NO END UNTIL THINGS TURN AROUND WHEN RICKY DECIDES TO WACK THE END OF NARALIE'S DRINK BOTTLE WHILE SHE WAS HAVING A SIP OUT OF IT. LEADING TO A SHOWDOWN INVOLVING A BROOM. GREAT READ 5 STARS

Today we look at the protagonist in Ricky's latest work of fiction, 'Mums Favourite'. The character named Mirandra is known in local circles for her caramel slices and as a doer who gives to her community. But things haven't always been easy for Mirandra, she carried a great burden from a young age. The story delves into her relationship with her difficult and troubled family and her place within the walls of this family unit. One of four children she carried the heavy burden of being a favourite child. Some would call this a blessing, but this is a cautionary tale.

SASSY SELF CARE

DEDICATED TO
MOTHERS AND THEIR
DAUGHTERS

Unfortunately for me, this past year has brought some hardship among-st all the many great adventures and wild parties I've had on account of my wife kicking the bucket (Literally, she actually died on me). I've included the eulogy I wrote for her so you can all feel what I've been through.

The Eulogy — March 16, 2019

Today we gather here to celebrate the life of a strong selfless woman, My wife of over 30 years, Elizabeth Browne. Liz died the way she lived, working hard for something much greater than her, me and my dog Theodore.

Most people remember Liz as a gentle fragile creature who would not say boo unless she was specifically asked to. But what most people don't know is that she had a strong back and an excellent work ethic, like no other indentured woman I've known.

She was able to put up with and work in some truly horrible conditions which would have broken a weaker sole. And while I provided those conditions without apology, there were a few times where she took to questioning her role in the family. An attitude I would break as soon as it appeared, In such a way that it would usually be stretches of years which would go by without even a harsh word against me. This is one of the reasons I can truly say she was a loved cog in the wheel of our family.

Some will call me weak for this but there were the odd Saturdays where I'd give her the afternoon off to go wonder in the back yard. This had to stop of course once I heard she left one of Theodore's shits out there on the lawn, and while she denied she knew about it I knew I had to reign in her freedom for the sake of the family unit.

Some people over the years have questioned my judgement on why I decided to completely cut her off from her family, but her and I both knew it made her flighty and wishing for something more in life. Which of course could not be tolerated.

She had a sharp mind, which I didn't like much and was one of her lesser qualities, but all in all her submissive nature and unrelenting stamina made me feel like I made the right choice in marrying her over some of the girls considered to be of a finer stock, and I'm sure if I did pick one of those girls I would not have been able to get away with half the stuff I was able to with Liz. and for that, I am supremely thankful.

I think looking back she would have preferred someone more affectionate that liked touching a woman's soft skin, but that wasn't the man I was and I wasn't going to pretend otherwise.

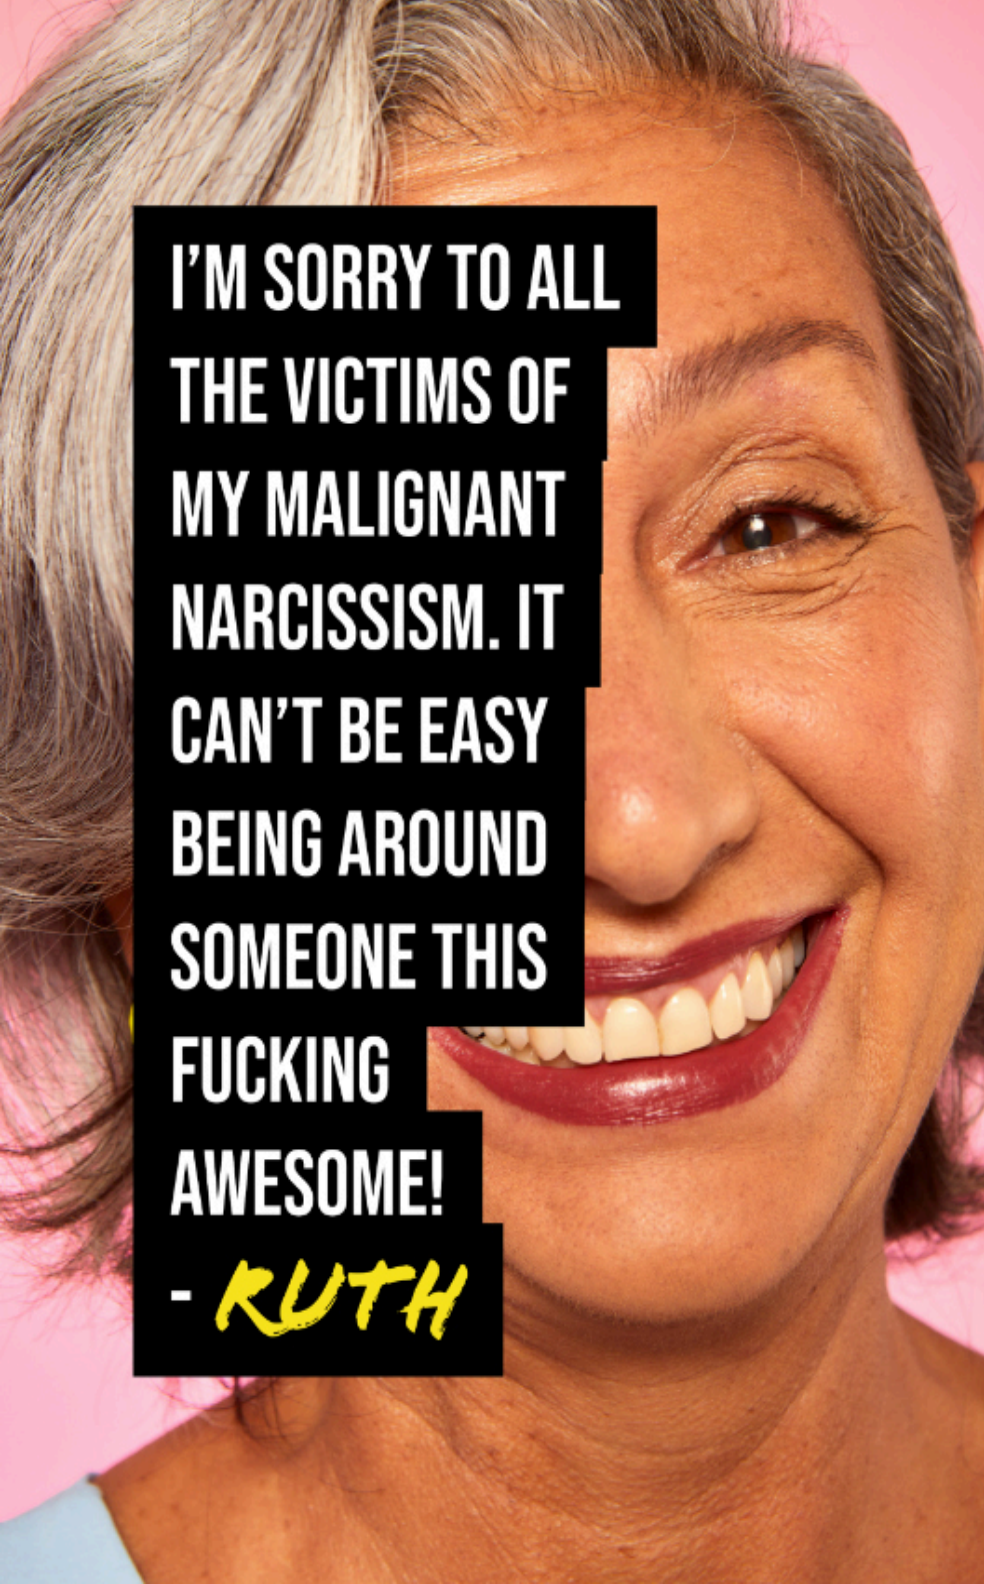

I know most of you haven't seen Liz in many years, I just want you to know she was far prettier alive then how she looks now as a corpse, I would never allow her to wear makeup in life so I see little reason why she now should be covered in it and it sickens me to my soul that my wife would be treated in such a way at the hands of somebody else.

Liz, we will miss you especially since the new wife is not arriving till Thursday.

FOR THIS SHOT, JUST ACT LIKE YOU'RE HANGING OUT HAVING FUN!

Thank you all for being my friend, I know I come across as difficult sometimes but you all have to learn a lesson. If we are going to overcome our differences and problems we must first recognise and understand them. So that's the only reason I'm hard on you all. We're like one big family really. We might fight and not talk to each other for years but sometimes we have to be civil and sit down together so we can work things out. Maybe become a bit closer, but also to learn to respect each other boundaries. XOXOX #BetterTogether

I just want to thank everyone in my life for putting up with all my shit over the years. Including all you guys and gals on Facebook. I've really only gotten my life together over the last 5 years or so. Before then I was always on struggle street, full of blame and disappointment. My actions weren't really aligned with my words or values. I was a lost boy. A Peter Pan type, destined to never grow up. But shit got so bad, I had to own my problems and start taking recovery from my mental-health issues seriously. I want to also thank everybody for keeping their mouths shut. It's because of you the Police never found the bodies and I'm still a free man with a new outlook and with less of an urge to kill. Although sometimes I reminisce and the urge comes back stronger than ever. Know that if I do relapse my victim will probably be a stranger because you have all been so nice. Thank you all.

Guide to Manhood.

1. Be kind. Don't rewind.
They used to think look within, but that can lead to neurotic. With the invention of DVDs and the modern PC, no need to rewind the past.

2. Pornos become gross.
Create a ban on yourself. Don't get all weird all the time. No one respects sluts.

3. Don't give up the biscuit.
Three out of five suffer from the problems at least once in their lifetime. Choose to help, but don't be a jerk, things are not that easy.

4. Smell like roses.
Some time people get into sadness. It's the little things that do wonders.

5. Sing along to the beat.
Find your groove in this life. No one knows the future. So sing along to happiness, but be respectful.

6. Have a good day (in principle).
Some days you can't make it and it's so hard. Don't let things spoil just because of something you said.

7. Go out and find hobbies.
Sometimes the hobby finds you and other times you have to search for it online. See if it's any good and if you have the finances.

8. Meth labs are for jerks.
Getting yourself into situations just because you make cash money isn't leading to happy times of self respect. Prison time can rehabilitate, bad things can happen.

9. Algebra is for jerks.
Think about it simply. What's important? Some things are good to know for working out things. Be mindful of people knowing other things which can be helpful.

10. True winners don't eat all the cake themselves.
This one is self explanatory.

11. Take a deep breathing.
Step off and breathing in for 4 times and hold it and then out for 5 or even 6 and relax in the moment.

12. Have special time in the week.
Don't be talkin' 'bout all that smack. You can do it; time out to relax or with family.

13. Families play with each other.
Stay together with love and find a smile. Everyone dies.

14. Achievements are a great way to take place.
Setting goals is one way about it (but with reasonable), you can get a gold medal of you own with an Olympian (but with the attitude).

15. Promote Positive.
Fake it 'til you make something of the life we live. So be strong and don't worry about the knowledge until time to come.

16. Be strong.
Bounce back so you don't care about the small stuff, just heal with strength.

17. Persisting is keys.
Don't give up the fight just because the findings are useless, dig deep and with a smile.

18. Own a large dog.
A large dog is dangerous, especially if its a dangerous breed of dog or is more angry than other dogs. But think of the benefits.

19. Eat Chinese for the women.
If you are not a male or you never want to kiss a woman, think about disregarding.

20. Why are some girls so annoying?
Don't be taking trouble home with you. If they can't do a mans job, if a man asks them to and they can't do it quicker than men.

21. Preen the rooster.
Look at yourself with makeovers and a haircut, to better puff your chest and have better chances.

22. Be rich and get a cool house.
If you don't have kids make sure you worry about the house more if its a really expensive house. It might seem stupid, but in the end once you think about it , its not.

23. Odds are bad.
If you think of winning the lotto, look at odds, don't waste it like a punk.

24. Go at it like you should.
Some people want it handed to them on a plate like nothing. Don't expect it under circumstance, you have to go out and do you own diligence to find your ways.

25. Stop thinking doubtful about things.
Life can be risky, but to cotton wool yourself will get you unprepared.

26. Pets increase life by up to around 30%.
Some people get lonely, no excuses unless you have allergies, then look at alternative.

27. Make good lovers.
Kissing is healthy for making things right, but be careful with your Johnson these days. It was a different world in the sixties.

28. Be happy with your Johnson.
Some girls like it that way. So don't lead into depression, think about getting better.
